Black Rock Grill Menu

Served on a "Hot Rock"

Caution! The rocks are always extremely hot!

Served with choice of one side and a salad, add \$2 for Caesar salad

All Black Rock Grill entrée's are served with appropriate dipping sauces

The Cool Moose Café is proud to introduce a fresh and flavorful dining experience. The Black Rock Grill uses a super heated volcanic rock to prepare your meal before your eyes as you eat. You will enjoy a meal that has great flavor and will always be hot.

All of our products are trimmed of fat and no oils are used in the cooking process making your meal healthy as well as tasty. Your entrée is presented to you on the black rock and will continue to cook as long as you like. Simply cut into your entree and eat using the heat of the black rock to achieve a temperature that you are happy with.

We want you to enjoy your meal so PLEASE DON'T LICK THE ROCK; IT WILL ALWAYS BE EXTREMELY HOT! If you need any further assistance please don't hesitate to ask a member of our staff.
